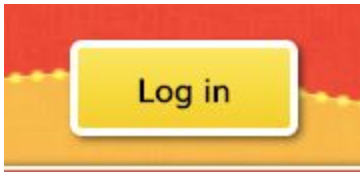
Name: _____

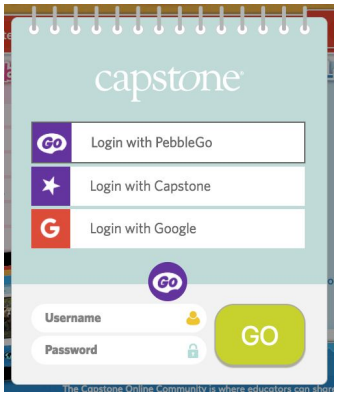
PebbleGo is a great database you can use to research animals. Follow these steps to get there.

Step 1: Open

Step 2: **Go to www.pebblego.com**

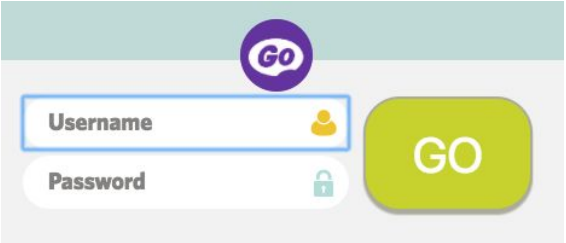
Step 3: Tap **Log In**

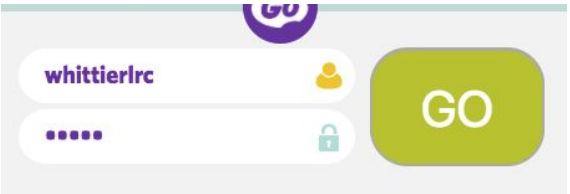


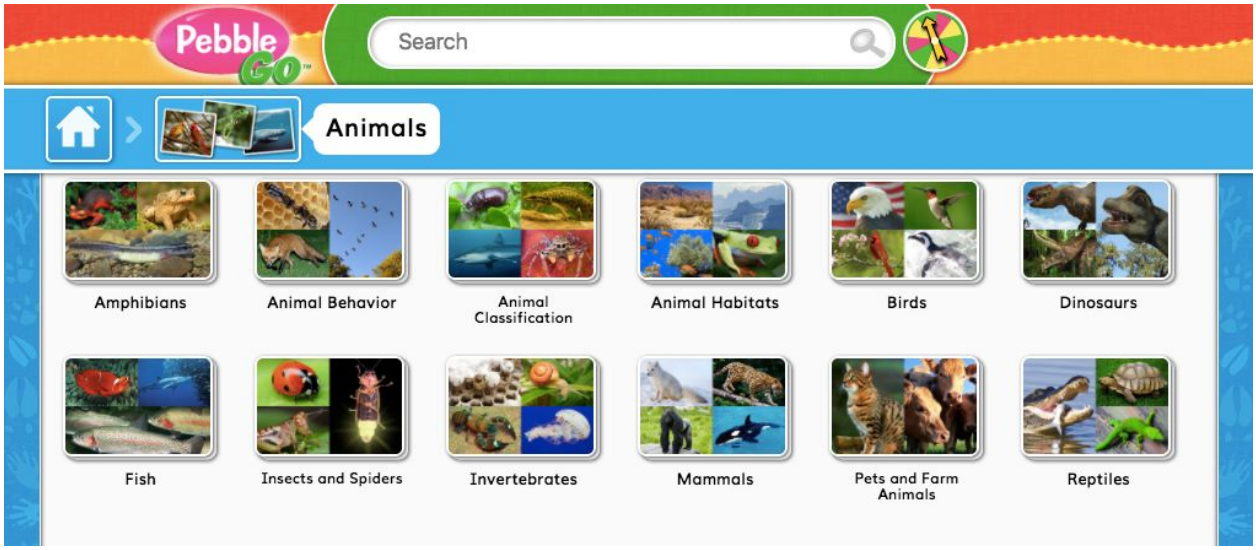


Step 4: Make sure the black box is on **Login with PebbleGo**

Step 5: Your username is **whittierlrc**. Your password is **reads**. Then tap GO.





Step 6: Choose **Animals**.


Step 7: You have many different animal articles to choose from. Hopefully, your animal is here!
